Re: Trucking Bid Lanes- 2022

Attached you will find Garick's bid lanes and estimated truckload quantities for 2022. Please review the attached document(s) and fill out the bid sheet with your best rate and return it via email to transport@garick.com. Once all bids have been reviewed, meetings will be arranged with the carriers with the most competitive bid and available capacity on each lane.

Please note the following conditions in which Garick requires:

- Garick Vendor packet must be completed and returned to Garick with updated insurance and authority to haul in 2022. Vendor packets can be found online here: <https://www.gartran.com/>
- Rates must be submitted and firm through the following months January 1, 2022, through December 31st, 2022
- Rates quoted must be an all-inclusive rate to haul each and all lanes

Information needed from 2022 Bid Sheet:

Estimated Loads/Season

Estimated number of loads Garick will ship between February 1st and June 30th. Estimates are not guaranteed volume due to the seasonality of the business.

Number of Loads Committed To

Please indicate the number of loads you would be able to commit to hauling for Garick February 15th thru June 30th. The number of committed loads is based per trucking lane. Please indicate the minimum number of loads you would be able to commit to hauling.

Bid/Truck Type/Pallet Service

Please enter your best and final offer for each lane you can commit to hauling through June 30th 2022. Also indicate if your offer is a flatbed quote or van quote (if both are available, use these columns to offer a rate for each).

Please ensure your Company Name and email address are listed on returned bid packet.
